

## Care Instructions

Thank you for your purchase of our signature rose gold spoon made from quality stainless steel. Safe for food use and perfect for elegant quenelles.

- Rinse food residue in a timely manner and wash your flatware directly after using.
- Avoid scouring pads, bleach, citrus detergents, & the use of sodium as may cause damage to flatware.
- Cleaning products or solutions containing lemon or citric acids should be avoided.
- After washing, dry with a soft, microfiber cloth.
- Avoid leaving flatware to air-dry or automatic dry in the dishwasher to avoid water spots & impurities that can settle & stain the flatware.
- If using a pre-soak solution, wash immediately in hot water after removing from the solution.
- Do not leave your flatware soaking in any pre-wash solution for more than 15 minutes.
